

270 North Clark Street – Powell, Wyoming 82435
(307) 754-5106 – FAX (307) 754-5385

To: All Residents / Businesses
From: Gary Butts, Streets Superintendent

7- 30-2018

Please be advised that "Chip Seal" is scheduled to take place the week of August 13, 2018. This is the time frame that our contractor has currently given us to be in the area and is not meant to indicate that Chip seal will be taking place that entire time.

The Chip Seal will be placed in the areas of: North Street – all, Fair St: Coulter to RR tracks, Division St: North St. to Monroe St., Madison St: Division St. to Fair St., Monroe St: Division St. to Fair St., Bent St: RR Tracks to Monroe St., Day St: RR Tracks to South St., From North St. to South St. on: Ferris St., Gilbert St., Ingalls St.

Please make arrangements to move any parked vehicles from the streets and to stay off of the streets during the application. **If you will be away during this time (vacations etc.), please remove vehicles from the streets or make arrangements to have them moved by family members, friends or neighbors.** Once the Chip Seal has been placed and the street is reopened you will be able to drive and park back on your street.

If vehicles need to be moved by the City, they will be moved at the owner's expense. Please also **keep sprinkler and irrigation water turned off** or away from street areas scheduled to be, or that are being, Chip Sealed.

The Streets Department will do everything possible to assist residents in their needs. We appreciate your cooperation and patience for any inconvenience this may cause while we continue to make Powell a safe and pleasant place to live.

If you have any questions or concerns, please feel free to contact Gary Butts at 754-9513.
