

CITY OF POWELL
PARKS DEPARTMENT
MEMORIAL AND DEDICATION TREE

Trees provide many benefits to people, wildlife and the community. From the cooling summer shade to the fruit they bear that feed birds and animals, or the wonderful fall colors of the leaves, there is always a reason to have a tree growing nearby. We celebrate many special events in our lives. The birth of a child, a commitment to marriage, a high school or college graduate, or the passing of a loved one. Trees have always been used to mark a special occasion. If you are interested in having a tree planted to honor a special occasion or memoriam in one of the City parks please complete the form below.
